

MOMs in
REcovery
(MORE) Study

Are you pregnant or early postpartum with a history of heroin, fentanyl, and/or prescription pain medication use?

We want to hear from you!

- ❖ Complete **three confidential and private** surveys on your phone or computer.
- ❖ **Contribute to an important research study** to improve care and support for moms and their infants.
- ❖ Researchers at Dartmouth College are partnering with Safe Harbor Recovery Center & maternity care practices in NH, ME, and VT for this study.
